**WHAT IS
FAIRTRADE?**

WHAT IS FAIRTRADE?

Fairtrade is about better prices, decent working conditions and fair terms of trade for farmers and workers.

With Fairtrade you have the power to change the world every day.

With one simple choice you can empower farmers to make their own decisions, control their futures and lead the dignified life everyone deserves.

FAIRTRADE'S VISION IS A WORLD IN WHICH ALL PRODUCERS CAN ENJOY SECURE AND SUSTAINABLE LIVELIHOODS, FULFIL THEIR POTENTIAL AND DECIDE ON THEIR FUTURE.

THE FAIRTRADE MARK

® When a product carries the Fairtrade Mark it means that producers and traders have met Fairtrade Standards. The standards are designed to address the imbalance of power in trading relationships, unstable markets and the injustices of conventional trade.

FAIRTRADE IS UNIQUE

FAIRTRADE IS AN ALTERNATIVE APPROACH THAT IS BASED ON PARTNERSHIP; ONE BETWEEN THOSE WHO GROW OUR FOOD AND THOSE THAT CONSUME IT.

FAIRTRADE OFFERS IMPORTANT BENEFITS FOR FARMERS & WORKERS IN DEVELOPING COUNTRIES INCLUDING:

1

STABLE PRICES

Farmers and workers receive a fair price (the Fairtrade Price) for their products. This protects them from damaging fluctuations in world market prices so they have a stable income and can plan for their future.

Fairtrade is the only certification scheme that offers such a unique minimum price protection for farmers.

2

A FAIRTRADE PREMIUM

Farmers and workers also receive an additional sum of money (the Fairtrade Premium) for investment – as they see fit – in social, economic and environmental development in their community, such as educational and medical facilities.

3

50% PRODUCER OWNERSHIP

Fairtrade certified producers are involved in decisions that affect their future through Fairtrade International's Board, its committees and consultation processes. Producers can influence prices, premiums, standards and overall strategy.

4

EMPOWERMENT OF FARMERS AND WORKERS

Small farmer groups must have a democratic structure and transparent administration in order to be certified. Workers must be allowed to have representatives on a committee that decides on the use of the Fairtrade Premium.
